White

With seven no-nonsense-named colours, there's a JAC to match your fleet

# TESTED FOR KIWIS BY KIWIS

Before launching here in NZ we've thrown a 'whole lotta NZ' at it, completing on and off-road testing of the JAC T9 ute.

We've tested on snow, ice, sand, grass, metal roads, mud, river crossings, tarmac and more... oh, and we took it on the toughest test of all... a family road trip with kids in the back seat.

JAC T9
